

THE RECESSION AROUND THE WORLD IS THE FULLNESS OF THE GENTILES

The purpose of this book is to show that the gentile world is having financial problems because Noah's son Japheth, who is the father of the gentile race, society is being fulfilled.

Romans 11:25 For I would not, brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened to Israel, until the fulness of the Gentiles be come in.

According to biblical prophecy, the descendents of Noah's son Japheth, the father of the gentile race, will be ruling at the second coming of Jesus Christ. The Apostle Paul wrote, in the New Testament, that God gave the gentiles power over the entire world's wealth. He said that the fall of the Israelite race was the riches of the gentiles.

Romans 11:12 Now if the fall of them be the riches of the world, and the diminishing of them the riches of the Gentiles; how much more their fulness?

During the dispensation of the grace, Paul wrote that the gentiles would be ruling both naturally and spiritually in the end times. But only the gentiles who

were ordained to life would be the righteous gentiles. The rest were appointed rulers over the world's economy and the weapons of warfare in our society. God said He would turn the world over to the hands of the wicked. That's why there's so much crime and ungodliness going on in the world under the gentile ruler ship.

Acts 14:47 For so hath the Lord commanded us, saying, I have set thee to be a light of the Gentiles, that thou shouldest be for salvation unto the ends of the earth.

48 And when the Gentiles heard this, they were glad, and glorified the word of the Lord: and as many as were ordained to eternal life believed.

As long as the gentiles, who are the white race, did not mix with the brown and black races, their kingdom was very strong.

Take South Africa as an example. As long as they had apartheid, their country was strong and they were very successful. The same was true in the United States. As long as the U.S. had laws of segregation, this country was a strong nation.

We know that segregation and apartheid was not fair. However in order for the gentiles to rule the world despite being the minority race, they had to practice

this form of racism. Remember Japheth, Noah's son was only 14% of the world's population. He only had 14 sons. Ham and Shem, both of them being of the black and brown race, outnumbered Japheth. Ham had 29 sons and Shem had 27 sons. You can find this in the book of Genesis chapter 10.

If Japheth, who only had 14 sons who made up the white race, had mixed with the sons of Ham and Shem, who was of the brown and black race, there would be no white race now.

Someone may ask the question, how did Japheth son's come to be white and Ham and Shem's sons were black and brown and they all were Noah's sons by Noah's wife. Noah and his wife were of the black race. Their son Japheth was also of the brown and black race. But, his first born sons were born with Caucasian skin color. You will find that Numbers chapter 12. God had to have the white race to balance the world out. If He had the black and brown race only, He would have had no one to use as a chastiser if the black and brown races get involved with gross sin. He used the white race a chastiser.

That's the reason God let Marco Polo, who was of the white race, come in contact with China who had

discovered gun powder. Once the gentiles had gunpowder, they created guns and bombs and controlled the black and brown nations.

The gentile kingdom is coming to a close. Their time is up for ruling the world. The gentile kingdoms are going to become the kingdoms of our Lord and savior Jesus Christ.

Revelations 11:15 And the seventh angel sounded; and there were great voices in heaven, saying, The kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign for ever and ever.

That's the reason the gentile economy and their world power is diminishing. They no longer rule like they did in times past. Remember the gentiles only had 2520 years to rule according to Leviticus 26:27-28 which said God will punish Israel, which is a black and brown nation, seven times for their sins.

Leviticus 26:27 And if ye will not for all this hearken unto me, but walk contrary unto me;

28 Then I will walk contrary unto you also in fury; and I, even I, will chastise you seven times for your sins.

Understand that a time in biblical prophecy is a year. Also a year in biblical prophecy has 360 days. Multiply 360 by 7 times and you have 2520 years.

God told Israel that He was going to make them wander forty years in the wilderness because they brought back a bad report after spying out the land of Canaan for forty days. God said that He was going to punish them a year for each day. So the children of Israel wandered for forty years.

Numbers 14:34 After the number of the days in which ye searched the land, even forty days, each day for a year, shall ye bear your iniquities, even forty years, and ye shall know my breach of promise.

Ezekiel 4:6 shows a similar scenario concerning God's punishment of Israel. God told Ezekiel to lie on his side for forty days. Every day that Ezekiel laid on his side, God appointed it as a year to punish Israel.

Ezekiel 4:6 And when thou hast accomplished them, lie again on thy right side, and thou shalt bear the iniquity of the house of Judah forty days: I have appointed thee each day for a year.

God said, at the mouth of two or three witnesses, let every word be established. Remember a time is a year in biblical prophecy according to Daniel 4:23. Daniel told Nebuchadnezzar that he would dwell with the beast until seven times pass over. A time is a year with 360 days. In Nebuchadnezzar's punishment, God did not

appoint a year for a day. He punished Nebuchadnezzar for seven years which represents a time in biblical prophecy.

Daniel 4:23 And whereas the king saw a watcher and an holy one coming down from heaven, and saying, Hew the tree down, and destroy it; yet leave the stump of the roots thereof in the earth, even with a band of iron and brass, in the tender grass of the field; and let it be wet with the dew of heaven, and let his portion be with the beasts of the field, till seven times pass over him;

The gentiles, who are the offspring of Noah's son Japheth, have ruled for 2520 years. Their kingdom only has a few years left because they have allowed themselves to mingle with the brown and black races of the earth.

This is another reason the gentile kingdom is weak. According to Daniel's prophecy, they would mingle themselves with the children of men. Because of this their kingdom has become weak and out of control. They can no longer control the black and brown nations of the planet. We see the black and brown nations making weapons of mass destruction which is a threat to the white gentiles. We also see the black and brown races interracially marrying white females, this is eliminating the gentile population.

Daniel 2:43 And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay.

44 And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever.

In the political arena, the gentile government is now beginning to be ruled by the black and brown races. We can see this in the election of Barak Obama.

Any wise man can see that the gentile kingdom is coming to a close. That's the prophecy that the Apostle Paul made in Romans 11:25.

Romans 11:25 For I would not, brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened to Israel, until the fulness of the Gentiles be come in.

The fullness of the gentiles means that they will no longer be the world leaders of the present society. Jesus Christ is going to return and rebuild the tabernacle of David and establish His kingdom, which is the government of God, on earth with the children of Israel as the head nation. This is the promise that Jesus made to the twelve apostles in Matthew 19:28.

Matthew 19:28 And Jesus said unto them, Verily I say unto you, That ye which have followed me, in the regeneration when the Son of man shall sit in the throne of his glory, ye also shall sit upon twelve thrones, judging the twelve tribes of Israel.

Someone may ask what part does elect President Barack Obama play in the gentile fulfillment. There are two significant signs that he represents.

1. **Barack Obama's election shows that the captivity of the black and brown races has come to a close. The white gentiles no longer have complete control over the black and brown races.**
2. **Also, Barack Obama will do something that no white gentile president is willing to do. He will develop a relationship with Europe that will allow them to have the same kind of marketplace that we have in America.**

Remember, when Barack Obama went to Europe, over 250,000 people came to hear him speak. Developing this type of relationship with Europe will mean that America will not be as financially strong as they have been in times past. Understand that Europe has 300 to 400 million people to sell goods and services to. The United

States only has 200 million to sell goods and services to.

Europe will be able to dominate in the world of business. This will weaken the American dollar and cause the Eurodollar to become the dominate currency of the New World Order. This will set the stage for the new dictator, who some call the antichrist and some call the mark of the beast, to finally be established.

Because Germany is the strongest country in Europe, they will play a big part in this coming society. The old Roman Empire will be established once again. The Pope already is going through Europe trying to spread Catholicism again.

Europe will have one world religion which is Catholicism and a brand new dictator in the order of Hitler or Mussolini.

Someone may ask, what part does Russia play in the scope of these things? Russia will ally with China and put a defense against Germany who attacked Russia in World War 2.

Germany is not allowed to make weapons of war at this present time because of the treaty they signed with the United States during World War 2. Germany will request

that the treaty be abolished so that they can make weapons again to protect themselves from Russia and China.

All this is right around the corner. It's the final fulfillment of the white gentiles. They will have seven years to reign and dominate the world right before the second coming of Jesus Christ, our soon coming King.

All this is written in the Old and New Testaments. It's called the fulfillment of the gentiles according to Romans 11:25.

This final gentile dictator and his armies will move into the Middle East namely Jerusalem and occupy the glorious land according to:

Daniel 11:41 He shall enter also into the glorious land, and many countries shall be overthrown: but these shall escape out of his hand, even Edom, and Moab, and the chief of the children of Ammon.

By entering into the glorious land the dictator will sit in the temple of God as god. He will require that all, both small and great worship him and wear his name in their forehead or in their hand.

We must hear the call of God to avoid being caught up in this New World Order. Remember God told us to come out her so that we will not receive her plagues.

Revelation 18:4 And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.
