

## **CREATION VERSUS EVOLUTION**

**Creation versus evolution has been discussed ever since man, who God created after His likeness, was taken out of the Garden of Eden. The man Adam and his wife Eve knew the Creator as the Most High God. But once they were taken out of the Garden of Eden, their offspring lost the identity of the Creator and began to speculate on how things which are seen appeared; such as the elements, the solar system, the stars the planets that are in the heavens; animal life after their kind, and also man. Where did man come from?**

**The scientific theory of evolution was discussed among the educated and the uneducated. Both try to figure out how this great creation came into existence.**

**The Darwin theory is that man descended from apes and evolved into the modern man that we are today. The big bang theory came from Georges Lemaitre. Albert Einstein also believed in the big-bang theory. All this happened because man was not in contact with His maker because of the fall of Adam. The**

**theory of evolution and the big-bang theory have been accepted by the most educated minds. The worship of objects and animals is practiced by those who are not so educated. Both are seeking for an answer concerning creation.**

**Remember, the Most High, has always lived. That's why He made the statement, "From everlasting to everlasting thou art God."**

**Psalms 90:2** Before the mountains were brought forth, or ever thou hadst formed the earth and the world, even from everlasting to everlasting, thou art God.

**The Most High God is the creator. The first thing He created was spirit beings that are called angels.**

**Job 38:7** When the morning stars sang together, and all the sons of God shouted for joy?

**After making the angels, God created matter. With matter, He was able to create the universe, the earth and all forms of creatures after their kind.**

**Job 37:4** Where wast thou when I laid the foundations of the earth? declare, if thou hast understanding.

<sup>5</sup>Who hath laid the measures thereof, if thou knowest? or who hath stretched the line upon it?

<sup>6</sup>Whereupon are the foundations thereof fastened? or who laid the corner stone thereof;

**Understand that all these things were already created when Moses wrote the book of Genesis. Moses was writing about the renewing of the earth, not the creation of earth. The earth was here but it was void and darkness was everywhere.**

**The earth that God had created according to Job 38:4 had become void because Lucifer, who was assigned to beautify the earth, rebelled and quit his assignment and became an evil angel and attempted to move God off His throne.**

**Isaiah 14:11** Thy pomp is brought down to the grave, and the noise of thy viols: the worm is spread under thee, and the worms cover thee.

<sup>12</sup>How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations!

<sup>13</sup>For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north:

<sup>14</sup>I will ascend above the heights of the clouds; I will be like the most High.

**Remember, Lucifer ran the earth when there were animals after their kind that we call dinosaurs that God had created from matter. There were large gorilla and ape-type animals, after their kind, who scientists call the Neanderthal man. Fossils of these dinosaurs and the ape-type animals are found everyday in the earth. The evolutionists, not understanding that Neanderthal animals were not made after the God kind, have assumed that modern man evolved from these pre-historic apes.**

**These were creations made by God but they were not after God's kind or His likeness. They were only pre-historic apes and dinosaurs that God created during the time that Lucifer and his angels occupied the earth. We see these animals in the book of Job. They were tremendously large and uncontrollable by modern man.**

**Two of these prehistoric dinosaurs are the leviathan and the behemoth. They were very large and behemoth could drink a river and thought that he could draw up Jordan into his mouth.**

**Job 40:15** Behold now behemoth, which I made with thee; he eateth grass as an ox.

<sup>16</sup>Lo now, his strength is in his loins, and his force is in the navel of his belly.

<sup>17</sup>He moveth his tail like a cedar: the sinews of his stones are wrapped together.

<sup>18</sup>His bones are as strong pieces of brass; his bones are like bars of iron.

<sup>19</sup>He is the chief of the ways of God: he that made him can make his sword to approach unto him.

<sup>20</sup>Surely the mountains bring him forth food, where all the beasts of the field play.

<sup>21</sup>He lieth under the shady trees, in the covert of the reed, and fens.

<sup>22</sup>The shady trees cover him with their shadow; the willows of the brook compass him about.

<sup>23</sup>Behold, he drinketh up a river, and hasteth not: he trusteth that he can draw up Jordan into his mouth.

<sup>24</sup>He taketh it with his eyes: his nose pierceth through snares.

**Job 41:1** Canst thou draw out leviathan with an hook? or his tongue with a cord which thou lettest down?

<sup>2</sup>Canst thou put an hook into his nose? or bore his jaw through with a thorn?

<sup>3</sup>Will he make many supplications unto thee? will he speak soft words unto thee?

<sup>4</sup>Will he make a covenant with thee? wilt thou take him for a servant for ever?

<sup>5</sup>Wilt thou play with him as with a bird? or wilt thou bind him for thy maidens?

<sup>6</sup>Shall the companions make a banquet of him? shall they part him among the merchants?

<sup>7</sup>Canst thou fill his skin with barbed irons? or his head with fish spears?

<sup>8</sup>Lay thine hand upon him, remember the battle, do no more.

<sup>9</sup>Behold, the hope of him is in vain: shall not one be cast down even at the sight of him?

<sup>10</sup>None is so fierce that dare stir him up: who then is able to stand before me?

**So the earth could be billions of years old because God is the creator and creating is what He does. The so-called right wing conservative Christians do not want to acknowledge that the earth is millions and billions of years old. Because so, when evolutionist find fossils of pre-historic animals, they concluded that dinosaurs and pre-historic apes are products of evolution. Scientist credit Mother Nature and disregard the true creator who is the Most High God.**

**It can be clearly seen that the things which appear have a mastermind behind it who is the great architect of the universe.**

**Romans 1:21** For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse:

**After the fall of Lucifer and a third part of the angels who followed him, God decided to renew the face of the earth. He used matter again to create the animals we see today along with man who is made in likeness of the Most High God. This creation of man and animals we see today is only around six thousand years old.**

**Psalms 104:30** Thou sendest forth thy spirit, they are created: and thou renewest the face of the earth.

**But the earth may be millions or billions of years old because God has been in the creating business for millions and billions of years creating all sorts of creations. That's why He asked Job, "Where were you when I created the heavens and the earth?" This indicates that the heavens and the earth were created before he existed. Remember, Job was a man.**

**Job 38:4** Where wast thou when I laid the foundations of the earth? declare, if thou hast understanding.

**Another example of renewing the earth was during the flood of Noah. Water covered the entire earth, making it void and every living creature died. After the flood, the water receded and earth appeared again. This is how it was in Genesis chapter one because water covered the earth and darkness was everywhere. The reason darkness was everywhere in Genesis chapter one was because Lucifer, whose name meant morning, had brought in darkness through his disobedience to the Most High God. Remember the name Lucifer meant *son of the morning*. You know the morning represents light.**

**Isaiah 14:12** How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations!

**Someone may ask the question, “Where did all the different races of people come from if God made man after His likeness?” Is God all different shades of color?**

**Some evolutionists teach that humans descended from an ancient ape-like ancestor.**

Scientific consensus (backed up by significant amounts of research) doesn't state that humans "came from the apes". Actually, both modern humans and modern apes are descended from a common ape-like ancestor that lived millions of years ago. Apes didn't come from monkeys either. No modern animal "came from" another modern animal. Based on morphological and genetic similarities between modern creatures (or the fossils of extinct creatures), we can estimate the point in the past at which two species diverged from a common ancestor. Apes and humans share a common ancestor that lived millions of years ago. Similarly, apes and monkeys share a common ancestor that lived long before the ancestor that is shared between modern humans and apes. <http://answers.yahoo.com/question/index?qid=20070421061444AAXkUJw>

**Evolutionist and scientist use this philosophy explain the origin of man. We know that man is made in the image of the Creator who is the Most High God. Man has a temporary body made of human flesh which comes from matter. He's made like this to see if he can qualify to have his human body changed from mortal to immortality at the second coming of Jesus Christ who said He would change our vile body and fashion it like unto His glorious body.**

**Philippians 3:21** Who shall change our vile body, that it may be fashioned like unto his glorious body, according to the working whereby he is able even to subdue all things unto himself.

**Remember, Jesus body that He has now is glorified and His face shines as the sun in its strength.**

**Revelation 1:16** And he had in his right hand seven stars: and out of his mouth went a sharp twoedged sword: and his countenance was as the sun shineth in his strength.

**The reason evolutionist and scientist think that we are descendents of an ape-like ancestor is because when they dig up fossils of God's creations they link the fossils to modern man because of the shape of the head. The Neanderthal is not modern man's ancestor but just another creation in the animal kingdom.**

**Remember what God said in Genesis chapter one. He made cows after the cow kind, sheep after the sheep kind and birds after the bird kind and fish after the fish kind. God said; "Let us make man, after our likeness. Man is after the God kind.**

**Genesis 1:24** And God said, Let the earth bring forth the living creature after his kind, cattle, and creeping thing, and beast of the earth after his kind: and it was so.

<sup>25</sup>And God made the beast of the earth after his kind, and cattle after their kind, and every thing that creepeth upon the earth after his kind: and God saw that it was good.

<sup>26</sup>And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.

**Eve, the wife of Adam, is the mother of all living. She was a black woman and had eggs, in her ovaries, which could produce every color of people we see today: black, brown, yellow, red and white. That's why you see all the different colors of people on the planet today. But they all are made of one blood to dwell upon the face of the earth.**

**Acts 17:26** And hath made of one blood all nations of men for to dwell on all the face of the earth, and hath determined the times before appointed, and the bounds of their habitation;

**God is the creator of the entire universe. He says so throughout the bible. We are potential members of His divine family if we build the proper character that He wants us to have. Which is love and obedience to His divine will.**

**Evolution gives us no hope in the future and nothing to look forward to but death and decay. On the other hand, creation can be seen daily with the sun, the moon, the plants, the birds and all forms of living things. Man is the head of God's creation. That's the reason someone said, in the Holy Scriptures, no doubt an angel, "What is man that thou is mindful of him? You have put him over all the works of Your hands."**

**Hebrews 21:7** Thou madest him a little lower than the angels; thou crownedst him with glory and honour, and didst set him over the works of thy hands:

<sup>8</sup>Thou hast put all things in subjection under his feet. For in that he put all in subjection under him, he left nothing that is not put under him. But now we see not yet all things put under him.

**We Christians give evolution power when we do not want to admit that the earth is millions and billions of years old. Daily scientists are digging up fossils of animals that do not look like the animals that we have on the earth now; animals that could drink up rivers according to the bible; animals whose appearance would frighten man; animals with scales so tight that a spear could not pierce them. All these pre-historic**

**creatures were created by the Most High God because He has been creating forever.**

**If you have any questions or concerns about  
Creation Versus Evolution please contact Bishop  
R. A. Campbell:**
